

■ Discord Terms & Conditions – Destroyer Music

Introduction

By using Destroyer Music within Discord, you agree to follow both Discord's official Terms of Service and these additional conditions.

User Responsibilities

- You must follow Discord's Community Guidelines and Terms of Service.
- You are responsible for all activity happening in servers where Destroyer Music is present.
- Do not misuse Destroyer Music to spam, harass, or break Discord rules.

Bot Usage

- Destroyer Music is provided 'as is' without warranty.
- The Bot can be removed from any server without prior notice.
- Abuse, exploitation, or attempts to damage the Bot will result in a permanent ban or blacklist.

Data Collection

- Minimal data such as User ID, Server ID, and Channel ID may be collected for functionality.
- Destroyer Music does not store private messages or personal information.
- You may request data removal through support contact.

Limitations

- Destroyer Music may face downtime or technical issues.
- Features may be updated, changed, or removed anytime.
- We are not responsible for disruptions caused by Discord outages.

Enforcement

- Servers or users found violating these conditions may lose access to Destroyer Music.
- Severe abuse will result in reporting to Discord's Trust & Safety team.

Support & Contact

For help, bug reports, or issues related to Discord usage:
